

The Black Cloud (Valancourt 20th Century Classics)

By Sir Sir Fred Hoyle

Valancourt Books, United States, 2015. Paperback. Book Condition: New. 201 x 124 mm. Language: English . Brand New Book ***** Print on Demand *****. One of the greatest works of science fiction ever written. - Richard Dawkins Without a question the most intelligently written science fiction story I have ever read . . . A terrific yarn. - Charlotte Observer An eerie story which demands the reader s attention from start to finish. - Denver Post [A] rattling good story . . . a really thrilling book. There is a largeness, generosity, and jollity about the whole spirit of the book that reminds one of the early Wells at his best. - G. S. Fraser, New Statesman Astronomers in England and America have made a terrifying discovery: an ominous black cloud the size of Jupiter is travelling straight towards our solar system. If their calculations are correct, the cloud s path will bring it between the Earth and the Sun, blocking out the Sun s rays and threatening unimaginable consequences for our planet. With the fate of every living thing on Earth in the balance, world leaders assemble a team of brilliant scientists to figure out a way to stop...
