Summersdale Publishers, United Kingdom, 2007. Paperback. Book Condition: New. 192 x 128 mm. Language: English . Brand New Book. Written by an airline pilot and a clinical psychologist, this combination of practical explanation and self-help techniques is the definitive guide to help anyone overcome their fear of flying. Sometimes unnecessary anxiety is caused by events which airline crews may take for granted, including aspects of flights that are mystifying and even alarming to less frequent flyers. This new edition incorporates the recent advances in technology within the aviation industry, as well as the increased security checks as a result of 9/11.
