Tn unmoor. Getting under way from a single anchor. To cat attd fi h. To get und r way with a wind blowing directly out, and riding head la it;--with a rock or shoal close astern ;--when riding head to wind and tide, and to stand out close-hauled;--wind-rode, with a weather tide;-- tide-rode, casting to windward;--tide-rcde, wearing round. Unmoor. --Pay out on your riding cable, heaving in the slack of the other. When the other is short, trip it, cat and fish, and heave in on your riding cable. Instead of this method, the anchor which you are not riding by may be weighed, if it is a small one, by the long boat. Send the long boat out over the anchor, take aboard the buoy-rope, carrying it over the roller in the boats stern, or through the end...
