Touching Hearts, Educating Minds gets to the heart of what makes the difference in a school s success. It is not tests, curriculum, or government mandates, but the culture of a school in which those factors are played out that makes the difference in a child s learning. Touching Hearts, Educating Minds is the story of the planning, development, and opening of a magnet school in Novi, Michigan. The narrative by author Richard Njus is intertwined with rich stories from students, parents, and staff, depicting the tremendous impact the school s educational culture had on their lives. Touching Hearts, Educating Minds proves that when people put their heads and hearts together, they can create something very special.
