Faber Music Ltd, United Kingdom, 2006. Paperback. Book Condition: New. 300 x 227 mm. Language: English . Brand New Book. With Violin Playtime, the beginner violinist can make music from the very first lessons. In the three books that make up the series, there are over a hundred little pieces, a treasure-trove of attractive tunes - some traditional, some by composers of the past, some newly composed. But this is more than just an easy anthology; the underlying approach is learn as you play , and a carefully devised ground plan of technical development makes it a manual in disguise, a tutor without text.
