Tacoma Art Museum, United States, 2014. Hardback. Book Condition: New. New.. 262 x 211 mm. Language: English . Brand New Book. Throughout her six-decade career, Camille Patha s painting has oscillated between the figurative and the abstract. Patha began painting gestural abstraction in the 1960s then deliberately explored various painting styles, including hard-edged abstraction and surrealist-infused photorealism and, finally, a return to abstraction. During each era of her career, Patha demonstrated a full mastery of painting, presenting canvases that wholly embody her imagery and vocabulary with an unwavering voice and shocking vigor. Patha asserts her power as a painter by creating imagery of a complete universe that enables the viewer to be fully absorbed within a boundless volume. In her paintings, she shares a sense of wonder about the existential conundrums confronting every person and with the exuberance of her elastic symbolism. A Punch of Color is the first retrospective of her work since 1979.
