By Judith Schalansky

Bloomsbury Publishing PLC. Paperback. Book Condition: new. BRAND NEW, The Giraffe's Neck, Judith Schalansky, Longlisted for the Independent Foreign Fiction Prize 2015 Adaption is everything, something Frau Lohmark is well aware of as the biology teacher at the Charles Darwin High School in a country backwater of the former East Germany. A strict devotee of Darwin's evolution principle, Lohmark views education as survival of the fittest: classifying her pupils as biological specimens and scorning her colleagues for indulging in 'favourites'. However, as people move West in search of work and opportunities, the school's future is in jeopardy and the Lohmark is forced to face her most fundamental lesson: she must adapt or she cannot survive.

*The ideal ebook i possibly study. Better then never, though i am quite late in start reading this one. It is extremely difficult to leave it before concluding, once you begin to read the book.*
