Bottom of the Hill Publishing, United States, 2010. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.I have weapons ye know not of! Words have power. In *The Power of the Spoken Word* Florence Scovel Shinn lays a path showing how words have an enormous power and that God's gift to man is power and dominion over all created things; his mind, his body, and affairs. All unhappiness comes from lack of power. by your word you contact this power. We have the ability to create anything we want by aligning our thoughts and words with the perfect good within. Be strong! Fear not; Fear is man's only adversary. You face defeat whenever you are fearful! Fear of lack! Fear of failure! Fear of loss! Fear of personality! Fear of criticism! Fear robs you of all power, for you have lost your contact with the Universal Power House. Why are ye fearful, Oh ye of little faith? Fear is inverted faith. It is faith turned upside down. When you are fearful you begin to attract the thing you fear: you are magnetizing it. You are hypnotized by the race thought when you are afraid.
