

The Serpents of Life and Death: The Power of Kundalini and the Secret Bridge Between Spirituality and Wealth

By Robin Sacredfire

Createspace, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The bridge between spirituality and money is happiness. Happiness isn't obtained without peace and peace is unreachable without balance. In the materialistic perspective about reality we notice a force confronting the need for equalization of complements in the path for spiritual development. Therefore, in its most metaphysical meaning, we can perceive the concept of balance as referring to the interaction between fire and water, earth and air, yin and yang, strength and weakness, action and inaction, man and woman, conscious and unconscious, and so on. In its pragmatic form, such duality is seen in the divergence between spirituality and money, as these two elements can be acknowledged as the lowest and highest forms of being - mind and matter, but also body and soul. The evaluation of concepts as high and low or good and bad, however, only finds a realization in the human mind, deluded by material operations related to space and time, and unaware of the importance each dualistic meaning has within the eternal cycle of life and death. A person can assume the possibility...
