Rail Road: President's Reports Also to make a survey from the point to which the survey had already been made, near Asheville, down the French Broad River, through Madison County, to the line of the State of Tennessee, at or near Paint Rock. The result of these surveys is now laid before you, in the Report of your Chief Engineer, which dispels all the fears heretofore entertained as to the practicability of constructing a Railroad from Asheville to Ducktown, and discloses the gratifying fact, that the cost will fall far short of what was formerly supposed. Our friends in the Western counties, are now looking with renewed hope to the realization of those Rail Road facilities so liberally extended to other sections of our State, to develop and bring into market the great mineral wealth of that region. The advantage in distance from the Atlantic coast, say Norfolk, to Memphis via Chattanooga by this line, you...
