Createspace. Paperback. Book Condition: New. This item is printed on demand. Paperback. 280 pages. Dimensions: 8.9in. x 6.0in. x 0.9in. Bay Winchester is having a tough week. As the local editor of Hemlock Coves only newspaper, she just happens to be present when a body is found in an area corn maze. To make matters worse, the police believe the murder may have something to do with the occult. This wouldnt be a problem for a normal reporter, but since Bay is descended from a well-known line of actual witches, the town is understandably on edge. Between the suspicious townspeople, the befuddled police presence and that random hot biker guy that may or may not have something to do with the murder -- Bay has her hands full. When you add the typical family problems, multiplying ghosts -- and one monster of a zit that shes sure came from her aunts curse -- Bay is just struggling to make it through the week. Of course, when the killer sets his sights on Bay, things could get a whole lot worse. This item ships from La Vergne, TN. Paperback.
