Antiaging natural

By BARAS VALL , VICTORIA

RBA Practica, 2012. soft. Book Condition: New. La cosmética y la cirugía han sido hasta ahora las únicas herramientas para prolongar la juventud y la belleza. En España, el aumento de la esperanza de vida ha provocado un creciente interés por el antiaging natural, que utiliza nutrientes de gran poder regenerativo para tratar y prevenir los efectos del envejecimiento. Este libro muestra cómo entrar con salud y energía en la edad de la madurez, el segundo tiempo, etapa vital en que el ser humano alcanza la plenitud de su sabiduría, su experiencia y su libertad personal. La obra brinda información imprescindible sobre el proceso de envejecer, los hábitos que lo aceleran y los que lo ralentizan y evitan problemas. Enseña a comer perdiendo peso y aplica técnicas de inteligencia emocional que influyen en el bienestar: el liderazgo de la propia vida, la gestión del estrés, el arte de los ritmos.

Reviews

This pdf is wonderful. It is definitely simplified but excitement from the 50 percent in the ebook. You wont sense monotony at at any time of your time (that's what catalogues are for relating to should you request me).

-- **Jaqueline Kerluke**

I just started looking at this pdf. It can be rally fascinating through studying period of time. Its been printed in an extremely basic way and is particularly only following i finished reading through this publication where in fact altered me, change the way i really believe.
