Reviews

Definitely among the best book I have possibly read. I have study and i am sure that i will going to go through once more once more later on. Your lifestyle span is going to be convert when you full looking at this publication.

(Prof. Damon Kautzer III)

SUPERDUETS: BK. 2: (CELLO DUET)

Faber Music Ltd, United Kingdom, 2007. Paperback. Book Condition: New. 300 x 232 mm. Language: English . Brand New Book. Superduets for Cello, Book 2 provides a wonderful new repertoire of original and entertaining duets for beginner cellists. It is designed to build on techniques that have been learned in Superduets for Cello, Book 1 and can be started as soon as players have mastered octave scale in D and G. Consolidating skills such as rhythmic confidence and aural perception, and exploring a wide range of techniques, sound effects and movements, Mary Cohen's Superduets are tailor-made for players at the very earliest stages of learning. These delightful pieces serve as a unique introduction to the joys of social music-making and help students to develop the invaluable skills required for ensemble playing at an early stage. The cello books are also compatible with the violin books opening up possibilities for mixed ensemble playing.
