HarperCollins Publishers (Australia) Pty Ltd, Australia, 2012. Paperback. Book Condition: New. 209 x 136 mm. Language: N/A. Brand New Book. An astonishingly original novel for adults from the multi award-winning children s author, Gary Crew I lived many lives beneath that piano .I heard ten thousand stories in that space. there I was privileged to observe, to gather - and not only gather, to concentrate within myself - so much that is usually denied a child of my age. As a result, I have, you might say, grown. So says Augustus trump - a dwarf destined to be a circus freak. Cursed by nature as he is, Augustus is nevertheless blessed with a determination to survive, and more than survive, to grow. this growth, both in stature and in spirit, is brought about by a second blessing - his divine voice: an instrument so sublime that even the stars pay heed. Because no-one knows better the agonies, the violence and the love that inform the poetic than Augustus trump: dwarf, protege, man. THE ARCHITECTURE OF SONG is a truly magical, unique novel of beauty, imagination and song, with a cast of dark, surprising characters who will enchant and delight you, just as the songs of Augustus trump enchant and transform them.
