Createspace, United States, 2015. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.In his National Security Strategy, President William J. Clinton emphasized that the United States will remain globally engaged for many years to come, and that an integral part of that engagement will be the projection of military power. In the midst of budget cuts, personnel reductions, and base closures, the United States Department of Defense (DOD) is in a dilemma. It is being called on to be the dominant instrument of power in many regions of the world while its people and equipment are being stretched to their limits. Senior leaders are expressing serious concern for the operations tempo and are looking for relief. Unfortunately, the post-cold-war, multi-polar world is producing complex and unpredictable challenges with no end in sight. The DOD is being tasked to deter aggression, provide regional stability, support emerging democracies, and provide disaster relief. In many cases these tasks depend heavily on a forward presence. Prior to base closures and draw downs, much of this presence was in the form of permanent overseas bases and large numbers of forces transported to any place in...
