Reviews

Here is the finest ebook i have got read until now. It really is simplistic but excitement within the 50 percent in the book. Once you begin to read the book, it is extremely difficult to leave it before concluding.

(Lupe Connelly)

ACTIVE, CREATIVE CHILD: PARENTING IN PERPETUAL MOTION

Hohm Press,U.S. Paperback. Book Condition: new. BRAND NEW, Active, Creative Child: Parenting in Perpetual Motion, Stephanie Vlahov, With an active, creative child, parents and teachers need to be flexible, energetic and smart! Here is a practical handbook for coping, establishing realistic boundaries and avoiding labels when you have a really inquisitive child. Active/creative children are often misunderstood by the medical community, by schools, and by their own parents. Their energy can be astounding; their curiosity is boundless - and channelling that energy is necessary. This is encouragement and genuine help to support a child's natural curiosity and energy: work with your child's energy, don't squelch it; keep your own ego from interfering with your child's passion; how to avoid over-stimulation; how to choose the best artistic outlets; how to choose the best teachers.
