# INTRODUCTION TO PARTIAL DIFFERENTIAL EQUATIONS

Springer International Publishing AG. Hardback. Book Condition: new. BRAND NEW, Introduction to Partial Differential Equations, Peter Olver, This textbook is designed for a one year course covering the fundamentals of partial differential equations, geared towards advanced undergraduates and beginning graduate students in mathematics, science, engineering, and elsewhere. The exposition carefully balances solution techniques, mathematical rigor, and significant applications, all illustrated by numerous examples. Extensive exercise sets appear at the end of almost every subsection, and include straightforward computational problems to...

## Reviews

---

*Here is the finest ebook i have got read until now. It really is simplistic but excitement within the 50 percent in the book. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

-- **Lupe Connelly**

*Absolutely essential read through ebook. Better then never, though i am quite late in start reading this one. I am very easily will get a delight of studying a published ebook.*
