Toll House Press. Paperback. Book Condition: New. Paperback. 150 pages. Dimensions: 9.0in. x 6.0in. x 0.4in. Blind Faith, Blind Ambition is more than just the compelling story of a common man with uncommon faith creating extraordinary results. Its a recipe for how anyone can achieve this for themselves. Eric Schaffert was modestly born and raised in steel country, in Mahoning County and has lived most of his life in that region. Yet he has become one of the most decorated sales professionals in the history of the worlds largest pharmaceutical company. His secret to success is so simple, its available to anyone. In the authors words: Everything we see, experience or create in our life, our world, starts with a dream. The ability to dream big dreams is what has historically made America and Americans especially unique. There seems to be, however, a mentality in many areas that the American dream of finding success, however you wish to define it, is dead. More than a few have intimated that dreaming big dreams is a romantic endeavor without much utility in the real world. If someone had told me in 1976 that I would achieve both financial independence and fulfillment in my chosen profession, I would have said thats a wonderful vision. If that same person said I would also be associated with one of the worlds pharmaceutical giants, be inducted into their sales Hall of Fame, and to then accept this award during a ceremony at Mar-a-Lago, the home of Donald Trump, I would have said this persons ability to dream big dreams exceeded even mine. Every one of us has a Mahoning County in our personal history - where we were born, where we grew up, where we started our careers. I also believe each and every one of us...
