## Engaged Emancipation: Mind, Morals, and Make-Believe in the Moksopaya (Yogavasistha) (Hardback)

By -

State University of New York Press, United States, 2015.

Hardback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book. In the Mok op ya (also known as the Yogav si ha ), an eleventh-century Sanskrit poetic text, the great Vedic philosopher Vasi ha counsels his young protege Lord R ma about the ways of the world through sixty-four stories designed to bring R ma from ignorance to wisdom. Much beloved, this work reflects the philosophy of Kashmir aivism. Precisely because all worldly pursuits are dreamlike and fiction-like, the human soul must first come to an experience of non-dualistic, mind-only metaphysics, and after attaining this wisdom, promote moral activism. Engaged Emancipation is a wide-ranging consideration of this work and the philosophical and spiritual questions it addresses by philosophers, Sanskritists, and scholars of religion, literature, and science. Contributors allow readers to walk with R ma as his melancholy and angst transform into connectivity, peace, and spiritual equipoise.
