*****.The world is changing drastically, modernizing in ways

that will shape future generations. Although the opening of

borders and the unity of cultural differences has brought some

uniformity in beliefs toward world peace, it has also caused a

crisis affecting the survival of future generations. While

advancement in technology and cultural unity are credited for

creating a better world, within these blessings, this has also

brought forth a greater intensity in which future generations

must be more assertive toward reaching their goals and

successes. Underprivileged people from foreign countries now

have access to the same opportunity for future careers in

prestigious jobs, and they have greater ambition and desire

than their competitors, the laid-back privileged individuals.

Although overpopulation and economic changes will always

cause a struggle for employment, there will be a greater

opportunity for those parents who are aware of the changes

affecting their child's future displacement of jobs. In this

turning of a new century and millennium, every child's future

will be at risk. So parents need to be...
