The most provocative and influential political pundit in America today, Glenn Beck has broken the mold of what people feel a participant in the political process should be let alone one of it s leading commentators. the third-most popular radio host in America, his career has reached unprecedented heights since his TV show s debut on Fox, where he tours and is challenging Bill O Reilly and Sean Hannity for the number one spot in cable news. Here is his personal story, a remarkable tale that includes tragedy at a young age, redemption at the brink of death and success against all odds, highlighted by his drawing hundreds of thousands to Washington, D.C. last summer.
