AUTHORHOUSE, United States, 2008. Paperback. Book Condition: New. 198 x 124 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Healing the sick and helping to clear mental anguish was something you would read about, little did I know 64 years ago that I would be one of those people. Growing up in the 40s and 50s spiritual or hands-on healing wasn't discussed within a family, and not much was written about this practice. Because my father had been able to heal I suppose it wasn't alien to me. In fact it seemed quite normal. Alas dear Dad passed to spirit age 26, but I am sure he stayed on this earth long enough to see me on my spiritual journey. What a journey! Losing my Dad at the age of 2 years is painful enough, but to go through experience after experience, well sometimes you have to say to yourself, how many more times do I have to go through this. It is not until you become more enlightened that you begin to realise why all these situations happen. That doesn't make it any easier, but you do feel that at some point in your life things must even themselves out. Of course I now know why I had to experience the pain and the negative; it's to get me where I am now. How could I possibly have empathy and understanding if I hadn't been there and done that? This is what has made me the person I am today, caring and compassionate. I have had the most incredible journey, especially the last 15 years. To be introduced to Archangels, Angels and Ascended Masters, so many higher beings of Light. It has been wonderful and amazing. I have been asked by...
