paperback. Book Condition: New. Ship out in 2 business day, And Fast shipping, Free Tracking number will be provided after the shipment. Paperback. Pub Date :2012-07-01 Pages: 230 Publisher: National Defence Industry Press title: CNC Machining Technology List Price: 32.00 yuan Author: Zhao Ping, Tommy editor of Press: National Defense Industry Press Publication Date: 2012-7-1 ISBN: 9787118080070 word count: 340.000 yards: 230 Revision: 1 Binding: Paperback: 16 Weight: Editor's Summary This book is the outcome of the national demonstration project of building institutions teaching materials is based on the higher vocational high the designed mold design and manufacturing professionals prepared the training objectives. This book reflects the action-oriented, competency-based curriculum development philosophy, divided into five learning situation based on the means of CNC Machining, mold parts, CNC turning, CNC milling mold parts, mold parts machining center, CNC wire mold parts cutting and mold parts CNC EDM. Each learning situation as select several typical mold parts processing projects, each project reflects the integrity of professional activities, process analysis, CNC programming, CNC machine operator, parts, quality inspection and analysis as a whole module layout. Its essence embodies the process of vocational education teaching activities, instructional design and teaching methods reform of reference can be used as a user. The book can be used as vocational education, adult college mold design and manufacture, and application of numerical control technology, mechanical and electrical integration of professional materials, can also be used as training materials in molds CNC machining technicians and operations personnel. Catalog learning context mold parts CNC turning learning unit understanding of CNC lathes, CNC lathe structure and characteristics of two, a type of CNC lathes, CNC lathes selection principle learning unit 2 CNC lathe operation, central century CNC System PANEL II, the basic operation of CNC lathes, CNC lathe machining steps learning unit 3...
