To download **Undines: Lessons from the Realm of the Water Spirits** eBook, please access the button below and download the document or get access to additional information that are related to **UNDINES: LESSONS FROM THE REALM OF THE WATER SPIRITS** book.

North Atlantic Books. Paperback. Book Condition: New. Paperback. 320 pages. Dimensions: 8.8in. x 5.9in. x 1.1in. Undines from the Latin root *unda*, which means wave are water elementals, or spirits of the water world. Like their fellow elementals salamanders (fire), sylphs (air), and gnomes (earth) undines are united with, and personify, their element. First mentioned in the alchemical works of medieval botanist Paracelsus, undines appear throughout European folklore. Who are these mysterious creatures of lakes, oceans, and waterfalls? Undines takes readers directly into the water spirits realm through stories, personal encounters, and interviews with such luminaries as Istiphul, the undine queen whose presence embodies the magical essence of the feminine. Whether seen as fact or fairy tale, Undines presents archetypal truths and insights into human nature. The powers and abilities that undines display are latent in us all and crucial to humanity's evolution (or mere survival): harmony with nature, empathy and compassion, a deep capacity to love, and a cooperative rather than combative relationship to the world. Undines will appeal broadly to readers of mythology, fantasy, and fairy tales, particularly to practitioners that work with nature spirits and elemental beings: Druids, Wiccans, pagans, and those interested in magic and mysticism. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
