*This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It's been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, alter the way I believe.*

Write Bloody Publishing, United States, 2013. Paperback. Book Condition: New. 211 x 137 mm. Language: English . Brand New Book. In *The Year of No Mistakes*, Aptowicz goes cross country and tackles themes like love, lust, heartache and ambition in poems set in cities across the United States. While the backbone of the book is the slow break-up of her decade-long relationship, the heart remains Aptowicz falling in love with Americana. Sharply observant and unflinchingly truthful, her poems may be funny or heartbreaking, spare or lush, bright or dark, but they are always honest and engaging working class poems. Written during the fellowship year of her National Endowment for the Arts grant, poems from this collection have already been published in over four dozen literary journals and have been performed in venues across the country.
