Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Our World Is Like One Big House, Our New Immigrant Friends has a dual purpose. It teaches American children about the cultural diversities throughout our world and also strives to encourage American and new immigrant friendships. Immigration is a complex issue in America. This book is a must-read for American children who want to understand who these immigrants are in their classrooms. The media may be adding to their confusion. Immigration, culture and diversity are explained in a simple yet profound way, promoting positive, caring support for immigrants now residing in the United States. Living in both Sierra Leone and Taiwan, I experienced some of the same challenges and struggles as that of my immigrant students here in the United States. Having wonderful friendships made all the difference for me! As an addendum, stories of realistic fiction depict the lives of new immigrant students as they move to the United States. It highlights their transition into American schools. I have added some questions to ponder or use for discussion. Students at the third grade level or above would enjoy reading this book independently, while children in the primary grades would benefit by having the book read to them. Finally, I have included some information and tips for teachers of new immigrant children. Their work is very important, impacting students in the classroom and beyond. Through the reading of Our World Is Like One Big House, Our New Immigrant Friends, children new to the United States will feel warmly welcomed and valued, causing them to want to share their own cultures and backgrounds with their American classmates. All the...
